

DALLAS HISTORICAL SOCIETY

Design Your Own Texas Flag

Throughout our history, flags have represented ideas and values important to Texans. If you were asked to design a new Texas flag, what would it look like? Use the other side of this form to create a flag that represents what Texas means to you. Use color and be creative.

Turn in your flag at the exhibit or scan it and email it to: education@dallashistory.org.

Selected examples will be displayed during the exhibit and in January, DHS staff will select their favorite examples. Be sure to have a parent or guardian sign this form.
